JA shared a room because of the dust in the basement. Tim slept with ^{C3} ^{C2} slept in her twin bed. ~~Tim~~ ^{JA} and ^{C1} wanted to go to grandpas on the weekend. ^{C3} stayed home and she slept on the couch.

In October 2008 when I got back to town ^{C2} woke up and told me that her private part was hurting.

To the best of my knowledge these dates are accurate. There may be some missing dates that Tim visited.

The detective asked me to do a controlled phone call with Tim to confront him and I was more than willing and I was aware that the conversation was being recorded. JA
